

**The Second Workshop on the Project
Distance Learning Course in Chemometrics
for Technological and Natural-Science Mastership Education
Saint Petersburg, Russia, February 9-13, 2009**

*Venue: Saint Petersburg State Technological University of Plant Polymers, Saint Petersburg,
4, Ivan Chernykh Str.*

9.02.2009

Arrival and allocation at a hotel: Business-Hotel, 4, Bumazhnaya Str. (see a map)
(16:00 - ~18:30 - short tour over the city in English for Sergey Kuchryavskiy, Satu-Pia Reinikainen and Jarno Kohonen) – the tour will start nearby the university. I'll see you at hotel (or at the Narvskaya Metro Station – depending on your willing), and after your settling at the hotel, you will have a lunch and then – tour).

10.02.2009

10:20 – meeting at SPb STUPP, room A-225

Discussion:

10:20 – 12:00 – coffee and about workshop on February 12:

- a) visit to a computer class, where the workshop will be held;
- b) software, its inspection;
- c) coordination of the draft programme of the workshop for MSc students and post-graduates on practical use of chemometric methods (existing now in the form given below);

12:00 - 13:30 – Lunch

13:30 – 16:30 – About the Conference (presentations, conference proceedings) as well as discussion of further common actions (after finalizing this project) for example – about TEMPUS programme and possible programmes of the Nordic Council of Ministers

16:30 – 19:00 - Free time

19:00 – Dinner (together or may be individually)

11.02.2009 – Conference, room B-107 (its location is given on the scheme in the Information Letter)

9:30 – 10:00 – Registration of Participants

10:00 – 17:30 – Conference

12.02.2009

Workshop for MSc students and post-graduates on practical use of chemometric methods

Draft Programme of the Workshop:

10:00 – 11:00 – S. Kucheryavskiy – Matrix calculations in Excel

11:00 – 11:10 – break

11:10 – 12:40 - O.E. Rodionova – Introduction into Chemometrics (MDA, PCA)

12:40 – 13:10 – break (coffee)

13:10 – 14:40 – A.L. Pomerantzev – Regression Analysis: theory and exercises

14:40 – 15:10 – Answers to questions and individual work with software

15:10 – 16:30 – Lunch

19:00 – Dinner

13.02.2009 – Discussion of the meeting results and about the programme of the next meeting at LUT

10:20 – 13:00 – discussion; 13:00 - lunch
